\* A roll up is a friendly practice game.

\*\* The Opening Drive is for members. Everyone is invited and brings a small plate of savoury or sweet food for the buffet tea afterwards. The game on the day is decided by the Captain or Chairman and may be 2 wood or 3 wood triples. The teams are drawn out of a hat having pre-selected groups of leads, twos and skips. It's a friendly game but there is often a small prize for the winners. Non bowlers can enjoy the tea afterwards.
